

EXPLORING COLOURS

MUSIC

Sing this song with your child
"Red and yellow and pink and
green

Purple and orange and blue

I can sing a Rainbow

Sing a Rainbow

Sing a Rainbow too"

GAMES

'I Spy With My Little Eye'
Instead of using letters, use
colours.

For example, "I spy with my
little eye, something that is
blue". You can play this
game inside or outside.

Collect leaves and petals to
make your own rainbow
It might look like this one
below

NATURE

ABORIGINAL FLAG

Go through the colours on the Aboriginal flag, and their meaning. You can ask your children, "What does the red stand for?" (the land), "What does the yellow stand for?" (the sun), "What does the black stand for?" (the people).

CRAFTS

Make something using Aboriginal colours. If you have paint, you can do hand prints. If you have chalk, you can draw different designs.

You can create the flag out of natural ingredients or LEGO. Or you can make bracelets and necklaces with whatever you have at home
